TIMMERMAN WRITES FROM GERMAN CAPITAL

To the Beloved People of My Church:
Dear Friends:

My stay in Berlin has just about come to a close. We have two more days. The convention has been an enjoyable affair, altogether different from any other I ever attended. The various nationalities have given it a magnificent coloring, and we have enjoyed the hospitality of Berlin. The German Baptist here have been gracious, and permit me to say here that they are basically strong in the faith. Dr. George W. Truett has been elected the next President of the alliance. The next session goes

Lu Meyers, 76, native resident of Cameron and pioneer Texan died at the family residence here at 6:30 o'clock in the evening of Thursday, August 23, 1934 He had been gravely ill for several days prior to his passing and for many months had been in declining health.

News of his death was received with universal sorrow in Cameron where for more than three quarters of a century he had lived.

Funeral services were held Friday afternoon at the home at 4:30 o'clock August 24, 1934, with Rev. O. C. Acrey of Presbyterian church reading the rites. Interment was made in Oak Hill cemetery with the Coleman Funeral Home directing arrangements.

HELP IS SOUGHT ON ATHLETIC DEBT HERE

The public has been informed recently of the organization of the Athletic Council of the Cameron High school. Among other motives for its organization one was the assistance that could and would be given in financing properly the athletic program.

Indebtedness has been hanging over the athletic program for some time. There are many things that should be done, but the council has thought that it is the part of wisdom to wipe out all of the past indebtedness prior to launching a program which calls for further expenditures.

In order that the public may have the information at hand concerning the indebtedness under which the Council is laboring the following outstanding accounts are published:

W. A. Holt Co.	$ 18.00
Lowe and Campbell	64.28
Enterprise Pub. Co.	29.55
A. J. Matocha	92.15
Texas Power & Light Co.	68.30
C. & S. Sporting Goods Co.	433.91
Texas Power & L. Co. (note)	277.00
Total	$1012.99

Means for wiping out this indebtedness are being considered by the Council and will be made known to the public from time to time.

E. A. PERRIN,
Superintendent of Schools.

Rep. Jesse James and family left this week for Austin where he will attend the extra session of the legislature.

Following the discovery of a woman's leg severed with a saw and partly broken in the bed of Elm Creek three miles north of Cameron last Thursday, Sheriff Blaylock and Deputies Will Vaughn and Ray Robinson were following up reports of missing women, one having been reported from Bell county and two reported missing from Milam county.

The badly decomposed limb was found a few feet off the Elm Creek bridge on the Maysfield road by cotton pickers. Ray Hightower of the Link & Hightower store at Silver City, reported the find to the office of the Sheriff. The leg was examined by physicians and is now being preserved at the Leland Green Funeral Home.

The leg was wrapped in a copy of the Fort Worth Press of April 24, 1934 and Dallas News of April 26. These papers bear no name and officers said they were likely purchased from a news stand.

A paste board carton about 20 inches in length with the foot extending out a corner torn away held the leg. In the carton was a long needle and a finger nail file. It was believed the limb had been severed about three weeks. Doctors said it is the right leg. The limb was sawed and partly broken from the body at an angle. About two weeks before the discovery the sheriff was told two cars stopped at the bridge and were seen by residents nearby. It is believed the limb was thrown from a moving car since that date.

Reports to the sheriff from Bell county are to the effect that a widow who is known to have recently collected a sum in insurance money is missing. Two women whose names are not revealed are reported missing in Milam County, the sheriff said.

The leg is believed to be that of a young woman. It is of average size and the nails indicate having been well manicured.

Double Wedding at Westphalia Celebrated In Church of Visitation; Edward B. Hesse of Burlington Weds Miss Margaret Kleypas

Of interest to hundreds of friends in this section of Texas was the marriage on Monday morning at 7:15 o'clock in the Church of the Visitation in Westphalia in Falls county, of Miss Margaret Kleypas to Mr. Edward B. Hesse of Burlington, and the marriage of Miss Lucille Frei to Mr. Walter L. Kleypas, a double wedding ceremony that linked the lives of four prominent and beloved young people of Milam and Falls Counties.

The beautiful church at Westphalia, historic and renowned for its part in the era of early settlements in that section of Texas, was resplendent for this occasion, as the families of the brides and grooms together with friends gathered for the wedding Mass. Promptly at 7:15 the ceremony was begun, the beautiful ritual of the church being read by Rev. Father J. T. Moriarty, Chaplain at Villa de Matel in Houston, former pastor of St. Michael's church in Burlington and a close friend of Mr. Hesse.

Following the ceremony a luncheon at high noon was served in the home of Mr. and Mrs. Henry Kleypas, parents of Mrs. Hesse. There the couples received the well wishes and blessings of their friends.

Miss Margarett Kleypas, who became the bride of Mr. Hesse on this occasion, is the daughter of Mr. and Mrs. Henry Kleypas of Westphalia, having been born and reared in that community. She is a young woman of unusual charm and talents and is held in high esteem and affection by a host of friends and relatives.

Edward B. Hesse of Burlington is a native of Texas from pioneer parents. For a number of years he has lived in Burlington where his citizenship contributed much to the social and civic activities in his community. At present Mr. Hesse is in the government postal service. He is a member of the Edwin Hardy Post, American Legion and saw service in the United States Army in France during the late war. As a citizen of Burlington Mr. Heese has given much time and talent to the welfare of his community. A musician of note he has served well his community in promoting public entertainments and serving in places of responsibility. His life as lived among the people of Burlington has enriched the community and made for him a place of high esteem there and over the county. In Cameron Mr. Hesse enjoys a wide acquaintance and friendship and all join in extending to the happy couple hearty cogratulations.

Miss Lucille Frei, daughter of Mr. and Mrs. Fritz Frei of Westphalia, was reared in that community. She is a young woman of beauty and talent and enjoys the friendship and esteem of a great number. Walter L. Kleypas, a young man of influence and standing in the Westphalia community enjoys the friendship and the confidence of many and friends of both bride and groom join in congratulations to them for a long and happy life.

Mr. and Mrs. Hesse after the wedding dinner served in the home of Mr. and Mrs. Kleypas, left for San Antonio and other points for a short wedding trip. On their return they will make their home in Burlington.

Miss Bertha Faye Strange, home demonstration agent for Milam county, has returned from Camp Mason, near Mason, Texas, where she spent several weeks.

Mr. Rankin and Mr. Smith of Dallas are here for their annual audit of the Oil Mill books. They have been coming to Cameron for a number of years.

Bigbee of Cameron, became the bride of Mr. Robert Allison Barnett of Baytown, Texas, Friday morning August 24th at ten o'clock a. m. with Rev. O. C. Acrey, pastor of the First Presbyterian church, Cameron, as celebrant.

Tall pedestal baskets filled with graceful trailing ferns and small pink zenias, stood at either side of the sun room of the living room. Bowls of the chosen flowers marked attractive points, rested on top of the piano and mirrowed mantle.

Mrs. J. L. Clinton played the wedding March of Lohengrin's for the entrance of the bride and bridegroom, who came in unattended and took their position in the inclosure of the sun window where they took their vows. Soft music was played by Mrs. Clinton during the ceremony.

She was reared in Cameron and after completing high school in Cameron, attended school in San Antonio, San Marcos and also attended State University, and for the past three years had taught school in Milam county.

The bridegroom was reared in Clearfield, Pa., where he received his education, and holds a position with the Humble Oil Company at Baytown, where they will make their home.

Following the wedding ceremony the guests were invited into the dining room where a beautiful heart shaped wedding cake, embossed in green and pink that was topped with a miniature bride, was cut and passed with ice punch.

Only relatives and close friends witnessed the ceremony.

Out of town guests were: Mr. and Mrs. S. H. Johnson and daughter, Mary Jean, of Dallas; Miss Dorothy Shaw of Greenville, Miss Bessie Louise Coolley of Marlin, cousins of the bride; Mrs. John S. Owens of Brownwood and Mr. and Mrs. Carey Woodall of Baileyville.

Here is how Cardui helped an Alabama lady. . . . "I suffered from pains in my back and sides," writes Mrs. A. G. Gray, of Cusseta, Ala. "I was so thin and weak, I read of Cardui and decided to take it. I noticed at once it was helping me. I kept taking Cardui until I had finished five bottles. I gained. My health was much better. Now I am the picture of health. My color is good and my weight increased." . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU consult a physician.

TO THE DEFEATED CANDIDATES

All the waiting is over,
The races have been run
Until the fall election
And that's the same as won.

Isn't it a splendid way
To tell what people think?
They change their minds so often
By word, a nod, a wink.

Perhaps you'll run again
And then, of course, you'll win.
That's the way old Andy talks
When he's making up with Min.

Now, personally, I think you're grand
The way you spoke and took your stand.
If people don't want men like you
Well there are others—just a few.

Texas Fox Hunters Association To Meet In Hearne Beginning Monday, November 5

The Texas Fox Hunters meet willl be held at Hearne beginning Monday, November 5th. The camp site, Camp Ed Wicks, is located 6 miles Southeast from Hearne on the Wheelock road. All roads leading to the camp are sandy, gravel all weather roads, and no amount of rain can interfere with reaching the camp.

From Hearne to Dallas it is 155 miles; to Houston 121 miles; to San Antonio 172 miles; to Austin 91 miles; to Waco 72 miles; to Palestine 89 miles. There are three highways through Hearne: Nos. 6, 43 and 69; two railroads intersect at Hearne, viz: I. & G. N. and the Southern Pacific.

The first Cast (Derby Race) will be at day break Monday, November 5. This race will be a one day race. Tuesday morning an All Age race will start and last for three days. The bench show will be held on Wednesday at two o'clock, and will be judged by Robert Walker of Paint Lick, Kentucky. The Texas Fox Hunters Association should feel both honored and proud to have this gentleman judge of their Bench Show, as he is recognized as one of the leading Hound Dog men in the United States.

Wm. J. Tucker, head of the Texas Game, Fish and Oyster Commissioner of Texas will address the assembly on Game Conservation just before the Bench Show.

Camp Ed Wicks is named in honor of Ed Wicks of Bryan, and will be pitched in the center of a 15,000 acre block of sandy land with no houses or wire fences, but with many spring branches and deep gullies, thick post oak under growth, yupon and bamboo briar thickets, giving the fox plenty of protection.

The Association expects a crowd of from 1000 to 2000 vistors and campers each day and from 200 to 300 as well bred Fox Hounds as can be found on earth.

The committee in charge, Ronald Rhode of Hearne, Chairman, has built three large pens of wire netting in three different parts of the hunting grounds in which they have planted about 30 full grown wild fox. These fox will be turned loose just as soon as they become located and other fox replaced in the same pens up to two or three days before the hunt. This will insure plenty of game which is the success of any meet of this kind. Scarcity of game will cause the failure of this or any other meet. If any hunter can get a fox or two and wants to do his bit in helping along this meet, just ship it to Ronald Rhode, Hearne, Texas, and he will take them to the hunting grounds where they will be properly cared for. Another handicap will be saddle horses. Everything possible will be done to have them on hand, but those who can will greatly help by bringing along with them their saddle horses. An up to date Delco Lighting System will be installed at the Camp site, together with up to date restaurant. Plenty of good running spring water.

Those not wanting to stay at the camp at night will find in the City of Hearne three good hotels and three restaurants.

The citizens of Hearne and Robertson county are behind this meet and are doing all in their power to make it a success. The wide awake Chamber of Commerce of Hearne, together with the merchants, bankers, doctors, lawyers, preachers and all city officials are doing all in their power to make all who come feel at home, and in this connection, I wish to say you will never meet any better people on earth than those of Hearne and Robertson County. I know, as I have lived just across the Brazos River from them all my life.

The city of Hearne was incorporated in 1871, and has functioned as an incorporated city ever since. Hearne took its name from the Hearne family, who imigrated from Western Louisiana in 1851 and settled in the Brazos Valley. Hearne has its own municipal light and water plant furnishing light and water to its citizenship at a very low cost and has the reputation of being the best lighted city in the State without exception, and stands second in the State in the purity of its water and probably has more paved streets per capita than any other city in Texas and has a population of 3000 inhabitants who extend to every Fox Hunter and their wives and folks their invitation to be on hand on November 5, 1934.

Yours very respectfully,
PENN WOLF,

The cost of home electric light service has been consistently reduced by the Texas Power & Light Company. The above blocks show that the average cost of this service has been reduced over 40% since 1926. And you will remember that all during this period the cost has never been increased—it has been consistently reduced.

In addition to lowering the cost of service, the Texas Power & Light Company has constantly raised the STANDARD of SERVICE. When the Company bought the local system, service available through the small local plant was limited and undependable. Today your electric service is second to none anywhere in the United States. Dependable power transmission lines bring service from large generating stations. Power for all—the home, the store, the factory. This kind of service cannot be rendered by a small engine light plant—it can only be had through the kind of facilities which the Texas Power & Light Company has installed.

Low rates, voluntarily made—lower cost than the average of all municipal light plants in Texas—service second to none—adequate facilities for small as well as large customers. This is the record of your light company.

THE HERALD

Miss Cora Sprott and William Hickman Are Married In Cameron Wed. August 22nd

Miss Cora Sprott was hostess at a lawn party honoring her cousin, Miss Lucille Sprott Tuesday at her home at 8 o'clock, when some fifty guests called and surprised the honoree with a lovely miscellaneous shower.

The lawn was attractively decorated with an improvised well in a cozy corner of the lawn where the bride to be was asked to draw and receive what was intended for her. Lovely gifts were found to be treasured in the well, which she received with much pleasure. Later sandwiches, cake and punch were served.

Wednesday following the shower, at 7:45 Miss Sprott was married to William Hughel Hickman at the home of Judge and Mrs. Jeff T. Kemp, with Judge Kemp reading the ring ceremony. Attending the bride and groom were Mr. and Mrs. Elmer Floyd.

The bride was stylishly attired in white crepe with all accessories to match. She is the daughter of Mr. and Mrs. Mack Sprott of Cameron. She was a graduate of Yoe High school 1934 class and is deservedly popular with a large circle of friends.

The bridegroom is the son of Mr. and Mrs. W. C. Hickman, and graduated from Yoe High School in 1932. He is a splendid young business man and is associated with his father in the garage business.

After the ceremony Mr. and Mrs. Hickman left for a wedding trip to his grandparents in Melton, and also visited the Carlsbad Cavern. They returned to Cameron and will make their home here.

Black-Draught Brings Refreshing Relief of Constipation Troubles

Constipation produces many disagreeable sensations, several of which are mentioned by Mr. T. E. Stith, of Boonville, Ind., who writes: "I have used Thedford's Black-Draught many years when needed for biliousness and other minor ills when a laxative was needed. I have a tight feeling in my chest when I get bilious. I get dizzy and feel very tired, just don't feel like doing my work. After taking Black-Draught, I feel much better. This is why I continue to use it when needed." . . . Thedford's Black-Draught is a good, purely vegetable laxative, obtainable for 25¢ a package.

to Atlanta, Georgia.

My trip across the ocean was very pleasant. We stopped a half day in France en route to Hamburg. Friday p. m. we leave for Munich, Germany, the music center, and then to the Passion Play at Oberrammergau, Germany, thence, we tour Switzerland and France and Britan. On account of my delayed departure, due to illness, I will not be able to visit Italy.

We have met Americans by the hundreds in Europe, and it is always good to see and hear them. For the most part they conduct themselves with becoming dignity.

I have altered my opinion concerning Hitler and Germany. I find that the German Baptists are strong for Hitler. They say that he has given them more opportunities and liberties than they have ever known. I saw Hitler on my first day in Germany. The whole nation bowed in solemn tribute to Hindenburg, and paid a loud tribute to Hitler.

I have thought about my church many, many times since I left, and have never ceased to remember you in my prayers, and meditations. I hold in grateful remembrance your cordiality and good wishes, and I honestly feel that you have given me a great opportunity. I cherish in fond affection the tokens of good will on the part of many and I enjoyably reflect upon the choir party and all of those specific instructions, concerning which I had to tearfully abandon at sea under the severe loss and anguish of mind, and of course with mortal agony.

May God's blessings abide on you all.

In fraternal remembrance,
N. D. TIMMERMAN.
